POLE WALKING –

Walking groups are on winter break to ensure safety. Ice and deep snow will effect trail conditions and create fall hazards.

Pole walking provides cardiovascular and strength benefits in an outdoor, fun, social environment.

- Poles are available to borrow or bring your own
- Please note locations may change, or class may be cancelled depending on weather and trail conditions –Jodie will contact you in these cases (If possible let her know you plan to attend ahead of time to allow for this.)

Pole Walking Schedule:

Pole Walking for Fitness – *This is a 1-hour class where participants will be walking on potentially unsteady land and walking for fitness.* **ON WINTER BREAK FOR SAFETY**

Pole Walking for Balance – *Our easiest Pole Walking Group. Focus is on improving balance, muscle conditioning, and having the opportunity to socialize at the same time. Participants are also welcome to use a walker if preferred/required.* **ON WINTER BREAK FOR SAFETY**
