

We are a Canadian registered charity with a volunteer-based Board of Directors that is legally responsible for the governance of our organization. Within that mandate, our board develops, implements, and monitors policies that allow our organization to carry out its work.

Board members are also the fiduciaries who steer an organization towards a sustainable future by adopting sound, ethical, legal governance, and financial management policies, as well as by making sure their nonprofit has adequate resources to advance its mission.

We are fortunate to have so many skilled and caring individuals who serve as our Board Members. This month we will feature **Board Member, Kim Carrothers**.

Elected as a Board Member in January 2026, Kim spent 34 years working in financial services with three major banks in Canada, where she progressed through increasingly senior leadership roles. Throughout her career, Kim developed expertise in financial management, budget oversight,

regulatory compliance, and risk management while leading high-performing teams across the country. Kim shared that she is most proud of her work as National Director of Client Onboarding that allowed her to support others, helping them develop to achieve their potential.

What inspired Kim to become a Board Member at Community Care?

“My connection to Community Care is deeply personal. After watching my late mother, who had Alzheimer’s, benefit from its services, and seeing my widowed father continue to thrive with programs like Meals on Wheels and exercise classes, I witnessed firsthand the profound impact these services have on individuals and families,” said Kim.

Now in her retirement, Kim is inspired to give back as a volunteer Board Member and apply her financial acumen and strategic leadership skills to support Community Care Peterborough’s sustainability and growth

In her spare time, Kim enjoys spending time with her family in Millbrook, as well as golfing and long-distance running.

Kim’s vast experience in the Finance sector and in leadership roles make her an excellent addition to the Board of Directors at Community Care Peterborough.
