

My name is Molly Westland RN BScN MN. I am the Dean of the School of Health and Wellness at Fleming College. I have been a lifelong resident of the City of Kawartha Lakes (CKL) and have been a Fleming employee for over 20 years. I have had the pleasure of participating in a number of senior-friendly activities through the years and have really enjoyed working with this truly capable team of organizers. Some of my notable achievements have been a Master of Nursing focusing on the care of the older person stream. I was part of the writing team for the RNAO Best Practice guideline on "Alternative to Restraint Utilization" and along with my College job, have worked in a variety of clinical settings including long term care.

Have a wonderful day at the Summit.
